GOLDEN OPPORTUNITY SALE

Ashville, Ohio

Monday

May 26

1952

C. B. Teegardin & Sons, Owners, Ashville, Ohio
Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Ill.

PLEASE NOTE

The Annual Spring Show and Sale of the Ohio Polled Shorthorn Breeders' Association will be held at the Ohio State Fair Grounds in Columbus on Tuesday, May 27th, the day following our sale. We will be glad to cooperate with that organization in assembling and shipping cattle bought in both sales.

GENERAL INFORMATION

This auction sale will be held at Oakwood Stock Farm owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, May 26, 1952.

The sale will start at 1:00 P. M., Eastern Standard Time. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you arrive the day ahead of the sale so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as the herd bulls.

The auctioneers will be Paul Good, C. D. Swaffar and Stanley Perkins.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Ned Place, Eastern Representative, The Shorthorn World, Wapakoneta, Ohio.

Allan C. Atlason, American Shorthorn Breeders' Ass'n., Chicago, Ill.

Herbert Rees, American Shorthorn Breeders' Association, Chicago, Ill.

Clinton K. Tomson, 807 Exchange Ave., Chicago, Ill.

Dale Runyon, Corn Belt Dailies, Chicago, Ill.

We Invite You . .

We extend a cordial invitation to all who are interested in Polled Shorthorn cattle to be with us on the occasion of our Golden Opportunity Sale. Because Oakwood's show ring winnings in 1950 and 1951 were the greatest in the history of the herd, the selection of the 1952 sale offering provided a greater challenge than ever before. We simply had to follow up our best show years with our strongest sale offering! Although we think we have done it, we are perfectly willing to allow final judgment to rest in the hands of the public.

Of one thing we are very certain . . . the herd bulls that are in service now are the best in the history of Oakwood and we feel surer of complete buyer satisfaction in offering their get and service than ever before.

It is natural to believe in one's efforts when they have covered a span of thirty-six years. There is a great fascination in the never-ending game of improving livestock. . . always striving to make each new generation better than the last. We take pardonable pride in the achievements here at Oakwood with the cattle we have owned. There is a particular thrill that goes with seeing them leave Oakwood and do well for their buyers. This lot of cattle is submitted with greater confidence in their worth to the breed and their new owners than we have ever had in the past.

Samuel H. Keggardin

Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

Terms

The terms of the sale are cash.

Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health charts will be provided that will comply with the regulations existing in any state. We practice calfhood vaccination at Oakwood and all calves are pretested and clean before vaccination.

Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

Oakwood has never offered better females than will be found in the 1952 Golden Opportunity Sale. In the above picture are shown five beautiful daughters of Oakwood Leader x. From left to right they are: Oakwood Good Fortune 2nd x (Lot 11); Oakwood Estelle 28th x (Lot 17); Oakwood Lady Mayflower 3rd (Lot 12); Augusta of Oakwood 2nd x (Lot 15); Oakwood Lavender 23rd x (Lot 16).

**"There will always
be a hearty welcome
at Oakwood Stock
Farm for those who
share our love for
good Polled Short-
horns."**

Here are the people who represent Oakwood Stock Farms . . . Paul, Clara, Carol and Paul, Jr. They are looking admiringly at the cow Oakwood Myrtle 4th x and her heifer calf by Oakwood Mainstay x, the 1950 International reserve champion. Both the cow and the sire of the calf are by Commander-in-Chief x.

*"Red" . . . a grand fellow
and a real cattleman . . .*

There has been team-work between Paul Teegardin and Harvey Ferguson (better known to everyone as "Red") for ten years. Red has been in charge of the breeding herd, the show herd and the sale cattle during that span of time, and in all these fields he has done a highly creditable job. He has fitted and developed more champions and class toppers in his time at Oakwood than any other herdsman we know of in that period. Paul knows that it takes good cattle, but he also knows that it takes long hours of hard labor and careful attention to keep things going forward, and Red had done a grand job of getting it done. Red knows the herd thoroughly and he will be happy to show you anything, at any time you can visit Oakwood.

Harvey "Red" Ferguson pulls out a calf he likes for inspection . . . and he won a championship at the International a few weeks later.

All of the heifers shown in this picture were bred at Oakwood Stock Farm and all are to be included in this Golden Opportunity Sale. Eight of them are by Commander-in-Chief x, two are by Oakwood Leader x and two are by Oakwood Commander x. These are the kind that are seldom found and almost never offered.

The Place to Buy Champions Is Where Champions Are Bred

The foregoing records prove many things. They prove that the Oakwood type is the RIGHT type. The large number of top awards in the group classes prove that Oakwood Polled Shorthorns are UNIFORMLY GOOD. Most important of all, they prove that Oakwood Leader and Commander-in-Chief are at the very top of the list of the breed's all-time greatest sires. Study the pictures shown below. These are Oakwood bred animals. They are of the same type and quality as the 51 animals to be sold in the 1952 Oakwood Auction Sale.

1950 First Prize

These four sons and daughters of Commander-in-Chief x won first prize in the get-of-sire class at the 1950 International.

1951 First Prize Again

These four sons and daughters of Commander-in-Chief x won first prize in the get-of-sire class at the 1951 International.

Just a word about our 1950 State Fair Show Record . . .

We showed at the Illinois, West Virginia, Ohio and Maryland State Fairs in 1950. We had entries in 77 classes in these four shows. We won a total of

49 firsts

28 seconds

24 thirds

9 championships

In West Virginia and Maryland we showed in horned competition. Percentage wise, Oakwood's winnings in the 77 classes were:

Firsts—63%

Seconds—36%

Thirds—31%

Championships—56%

That's the record. We are proud to submit the figures and we hope it would indicate that our herd bulls, Oakwood Leader and Commander-in-Chief are siring the right kind.

THE PLACE TO BUY WINNERS

. . . and now . . . Our 1951 State Fair Show Record

We showed at the Illinois, Ohio, Maryland and New Jersey State Fairs, the Central States Show, Crown Point, Indiana, and the Atlantic Rural Exposition, Richmond, Virginia. We had entries in 99 classes in these six shows. We won a total of

65 firsts—46 seconds—32 thirds—14 championships

At the Atlantic Rural Exposition, the Maryland and New Jersey State Fairs we showed in horned competition. Percentage wise, Oakwood's winnings in these 99 classes were:

Firsts—65.6%

Thirds—32.3%

Seconds—46.4%

Championships—62.5%

Group classes reflect the uniformity of type and conformation . . . and are always coveted . . . the final test of a show herd.

Oakwood's cattle were in competition in 42 classes at the above shows—winning

32 firsts — 18 seconds — 21 thirds

A status of 76% of the firsts—42% of the seconds and 50% of the thirds.

IS WHERE WINNERS ARE BRED

The Oakwood Influence

This map on the front of the Oakwood auction block tells a convincing story of the influence of a great herd on the cattle stocks of the world. In almost every one of these United States and in eleven foreign countries Oakwood Polled Shorthorns are at work . . . building a greater breed and increasing the profits of their owners. Such recognition must be deserved. Such recognition cannot fail to cause within YOU a great desire to improve the Oakwood way.

DID YOU KNOW THAT . . .

a total of 529 head of outstanding Polled Shorthorns have been sold in the eleven Oakwood Auctions for a total of \$403,475 and a general average of \$763.00?

Were they appreciated? We believe the answer to this question is obvious. A total of 163 different breeders have bought them and most of these men have been repeat buyers.

Is the interest in Oakwood productions widespread? Study the list that follows! The cattle in eleven Oakwood auctions have been scattered to 26 states, one Canadian province and two foreign countries. Add to these the scores of breeders who have bought at private treaty and you will agree that Oakwood productions are at work wherever good Polled Shorthorns are known and appreciated.

In the eleven Oakwood auctions, 93 bulls have averaged \$960 and 436 females have averaged \$720. Oakwood Polled Shorthorns are within the price range of every breeder who is eager to work **SURE** improvements.

The list on the following pages will show the widespread distribution of the cattle that have been sold through eleven previous Oakwood auctions. We believe the list to be complete, although errors are possible. If any name has been omitted, it is purely an oversight. We are proud of this list and equally proud of scores of others who have bought privately but whose names were not available when this list was prepared. In studying this list we believe you will agree that the best judges of the breed have been Oakwood patrons. Here they are . . . the "Oakwood Roll of Honor.":

An interesting interview between Paul Teegardin and Hal Longley that proves . . .

It's not what you pay . . . It's

Did you ever see Paul Teegardin buy a cow to add to the Oakwood herd that didn't belong to a well known family? Did you ever notice that these cows, in addition to being from families of known performance, were likewise sired by bulls whose records as sires were well known? I asked Paul why he has been so exacting. He replied that he has learned the "hard way" that we cannot breed them better than their inheritance will let them be.

Families are important and so are the "right" females. Take Lady Golden 5th x, for instance. She's the dam of Oakwood Leader x and Commander in Chief x, each by a different sire. Who knows that her third son, Oakwood Director x, by Oakwood Conqueror x, may not prove an equal to her two celebrated sons.

"What could you have paid for Strowan Myrtle", I asked.

"What the right females cost doesn't matter, it's whether you "own" them that counts", Paul replied.

"She's the kind that is priceless and I'll try to illustrate my point", Paul continued.

"Here's the picture. First of all, let's remember that Strowan Myrtle has been bred to four different bulls. Her first calf, by

THE OAKWOOD KIND

what you get for your money That counts!

Oakwood Lieutenant Commander x, was a bull that sold to Mrs. Ingalls for \$2000 in our 1946 Sale. Her second was Oakwood Myrtle x, sired by Oakwood Crown Command x. You'll recall that she was sold mated to Oakwood Leader x, and Roy Hopper, Fredonia, N.Y., took that calf to the 1950 Congress at Sioux Falls, won the Grand Championship with him where he sold to Mr. & Mrs. C. Henry Baum at \$2750. I reckon, Hal, you'll recall that you talked me into selling Oakwood Myrtle 2nd x as an attraction in our 1949 Sale where she sold to Lynnwood Farms, Carmel, Indiana, and she, too, was bred to Oakwood Leader x. The calf, another bull, I purchased in April, 1950. We named him Oakwood Medallion x, showed him all fall and sold him in the 1950 Sale to Chas. M. Lusk, Bar L Ranch, Houston, Texas, at \$4000. Her next calf, another heifer by Oakwood Crown Command x, is here at Oakwood. We mated Strowan Myrtle next to Commander in Chief x and the calf from that mating was Oakwood Myrtle 4th x, winning senior heifer calf at the 1950 International. We kept Strowan Myrtle open until we got Chief back at Oakwood and the calf was a red bull, Oakwood Mainliner x, a short age December calf, but of such promise that he was made Grand Champion twice last season in two of our strongest shows. I was eager to see how Strowan Myrtle would nick with Oakwood Bequest x and the dark roan bull calf you are looking at right now is the result."

"Hal, the way Royfield's Leader is breeding for Henry and Helen Baum—better stop at West Lebanon going home and see for

yourself! And remember, he's the old cow's grandson, and that, plus the promise of the baby heifer out of Oakwood Myrtle, a granddaughter,—well, Hal, it all indicates to me that it doesn't matter too much what top females cost, it's owning them that pays off! "I could spend the day reviewing the influence of such cows as Milrig Estelle, the old imported cow I bought, by Naemoor Bridegroom. What a record of performance that lady left behind! Good cattle, generation after generation. Then, there was old Buttonwood Gem—spent all the money I had and borrowed the rest in order to own her! The Oakwood Hopes, Harmonies, Happinesses are all descended from her and the old cow's descendants have been top cattle in Australia, South America, South Africa, and all over these United States. Surely such cows make both herds and herd bulls famous!

"I could weave quite a story around Maxwellton Missie F. She cost \$2000 back before I went to college, but her descendants have written progress in every herd. Oakwood Mainstay x, 1950 International Reserve Champion bull, was one of them—four generations removed. Ballylin Rosewood 5th—what a breeder—mated to three different International Grand Champion bulls, produced three sons to win championship honors at Chicago.

"Yes, Hal, the right sire is IMPORTANT, we all must have real stock bulls, but in my book, the RIGHT females are equally essential and cost should be the SECOND consideration. It's fence corner philosophy, but I've learned it all the hard way!"

OAKWOOD LEADER—1946-1951

Oakwood Leader may have accomplished as much as a sire for Oakwood as any bull we have ever used. We've made the statement many times that if Gosshall Ximenes had left us nothing but Oakwood Leader, the \$5700 invested in Gosshall Ximenes would have been justified. We feel even more certain of that fact today than ever. Why? A true sire not only sires top calves, but his get must ALSO carry on—that's OUR theory. Two daughters of Gosshall Ximenes, one mated to Oakwood Leader, the other to Commander in Chief, produced Oakwood Gladness and Oakwood Mainstay, Reserve Champion Female and Bull, respectively, at the 1950 International. The blood of Gosshall Ximenes is carrying on through Oakwood Leader and the blood of Oakwood Leader is carrying on through his sons and daughters.

Royfield's Leader, 1950 Congress Champion Bull is proving it. C. Henry Baum, West Lebanon, Indiana, has the proof—an outstanding lot of calves, out of cows selected from many herds and from many bloodlines. The first son of Royfield's Leader sold for \$2000 at weaning age, a second son topped the sale to which he was consigned. The best calves are still at Round Grove Farm.

What of Oakwood Leader's other sons? They are doing well, too. Oakwood Bardolier, top bull in our 1949 Sale at \$3400, was used on a few cows before we shipped him to South Africa. His first son sold for \$2000 for export to South America in 1951.

Oakwood Bequest, many times champion in 1950 shows, sired a few calves before his untimely death last August. We have some of whom we are especially proud and we hope you'll take time to inspect them on Sale Day. Take time to really analyze the picture; Gosshall Ximenes, Oakwood Leader, Oakwood Bequest, blood that is carrying on. We think that it's good blood to tie to and this is the last Oakwood Sale in which sons or daughters will be offered. We are retaining Leader's son, Oakwood Distinction, who is out of a top daughter of Gosshall Ximenes, and Oakwood Bequest, full brother to Oakwood Bequest and Oakwood

Bardolier, out of a dam by Coronet Command, 1941 International Grand Champion, to carry on the tradition of their most illustrious sire.

We have a number of Oakwood Leader's daughters, and, like his sons, they seem to be "carrying on" elsewhere, as well as at Oakwood. We rate the seven daughters of Oakwood Leader, selling in this sale, as the most valuable lot of brood cow material sired by one bull to ever leave Oakwood. We'd like to own them all, but it's always been an Oakwood policy to share our tops with our customers and we have never sold a lot of their equal, in value or in earning power.

In 1950 Oakwood Leader sired:

The grand champion bull at the National Polled Shorthorn Congress.

The first prize get-of-sire at the National Polled Shorthorn Congress.

The best pair—bull and female—at the National Polled Shorthorn Congress.

Oakwood Bequest, grand champion bull at the Illinois, Ohio, Maryland and West Virginia State Fairs.

Grand Champion female at the Ohio and West Virginia State Fairs.

Winning get-of-sire at Ohio and West Virginia State Fairs.

Oakwood Medallion, top bull in our 1950 sale at \$4,000.

Reserve champion female at the 1950 International.

Top female in our 1950 sale.

Half the animals in the best ten head group at the 1950 International.

In 1951 Oakwood Leader sired:

International Polled Shorthorn sale champion bull.

Grand champion female New Jersey State Fair.

Oakwood Pass Key, top bull 1951 Oakwood sale.

Oakwood Headliner, first prize junior bull calf at the International.

1st prize get-of-sire at the New Jersey State Fair.

1st prize junior get-of-sire at the New Jersey State Fair.

1st prize junior get-of-sire at the Ohio State Fair.

1st prize junior get-of-sire at the Central States Show.

These four sons and daughters of Oakwood Leader x won first prize in the get-of-sire class at the Ohio and West Virginia State Fairs and second prize at the International in 1950.

COMMANDER IN CHIEF

"Sire Supreme" could be the title for Commander-in-Chief. We, at Oakwood, are grateful for the day that Clare B. Turner, Cass City, Michigan, agreed to let him come back to Oakwood. What he has done for Oakwood through the winnings of his calves in the shows of 1950 and 1951 is a matter of record. It is a record of performance, an action of achievement, that bespeaks the potency of his blood. This is not all. We want every visitor to inspect the few calves we have by his 1950 International Reserve Champion son, Oakwood Mainstay. Immediately after we sold him for \$6500 to Kyalla Stud in Australia, we bred a few females to him. The calves are ample evidence that the blood of Commander-in-Chief "breeds on".

If you have the heritage of a prepotent sire we've always felt that you could line-breed his off-spring. We've tried that, too, to satisfy ourselves. Elsewhere in the catalogue you will note a photo of Oakwood Myrtle 4th and her month's old heifer calf, a calf sired by Oakwood Mainstay. On sale day we want you to see for yourself—this calf—and the others by Mainstay.

We feel the sons and daughters of Commander-in-Chief being offered in this sale represent an opportunity, an assured promise that they carry the potential of definite improvement as sires and dams for their buyers. Truly, you can buy them with confidence and they will justify your confidence, by an inherited right of performance.

Study the show records of the past two seasons. See the show herd we are fitting for 1952. Analyze the bulls sired by "Chief"—the females, too. Take a good look at Oakwood Predictor, 1951 International Reserve Champion bull—take a good look at Oakwood Mainliner, too. To us, they are evidence that Commander-in-Chief sires the BETTER KIND.

In 1950 Commander-in-Chief sired:

The reserve champion bull at the International.
First and second prize junior bull calves at the International.
First prize senior heifer calf at the International.
First prize get-of-sire at the International.
First prize junior get-of-sire at the International.
First prize junior get-of-sire at the Ohio, West Virginia and Maryland State Fairs.

In 1951 Commander-in-Chief sired:

Grand champion bull at the Illinois State Fair.
Grand champion female at the Illinois State Fair.
Reserve champion female at the Illinois State Fair.
Grand champion bull at the Central States Show.
Reserve champion bull at the Central States Show.
Grand champion female at the Central States Show.
Grand champion bull at the Ohio State Fair.
Reserve champion bull at the Ohio State Fair.
Reserve champion female at the Ohio State Fair.
Reserve champion female at the Maryland State Fair.
Grand champion bull at the New Jersey State Fair.
Reserve champion female at the New Jersey State Fair.
Grand champion bull at the Atlantic Rural Exposition.
Reserve champion female at the Atlantic Rural Exposition.
Winning get-of-sire at the International, Illinois, Ohio and Maryland State Fairs and the Atlantic Rural Exposition.
Winning pair of yearlings at the Illinois and New Jersey State Fairs, Central States Show and Atlantic Rural Exposition.
With Oakwood Leader, Commander-in-Chief sired the winning three bull group at the 1951 Illinois, Ohio, and New Jersey State Fairs, the Central States Show and the Atlantic Rural Exposition.
The winning two female group at every show in 1951.
The first prize two bull group at the International.
The first prize two bull group at the Illinois, Ohio, New Jersey State Fairs, the Central States Show and the Atlantic Rural Exposition.

The undefeated pair of females in 1951. First prize wherever shown including the International Live Stock Exposition. Typical Oakwood productions.

and that's why he
is known everywhere as

**Be sure to see this
junior herd bull
on sale day . . .**

OAKWOOD DISTINCTION is selected for service to follow Oakwood Leader for many reasons. He was a grand calf the day he was dropped . . . he really looked like herd bull timber! We liked the way he was bred, sired by a son of Gosshall Ximenes and his dam one of the best daughters of the same sire. Gloster of Oakwood B was a championship winner in 1945-46. She has developed into an ideal kind of cow—deep, thick, low-set, big enough, and a very heavy milker. We insist on all these things in the dams of our herd bulls. See Oakwood Distinction on Sale Day. You'll like his head, his ruggedness, his bone, his width, as he comes to you or as he goes away. Then see Oakwood Determination, out of the same dam. He's the bull that gives us **CONFIDENCE** in Distinction!

Oakwood Predictor—1951 International Reserve Champion Bull—

Grand Champion—Illinois State Fair

Grand Champion—New Jersey State Fair

Grand Champion—Atlantic Rural Exposition

Reserve Champion—Central States Show

Oakwood Predictor was considered the thickest Polled Short-horn bull shown last season. Looks like a Champion, doesn't he? And he WAS—and he IS! He is packed with meat from end to end—a bull loaded with NATURAL fleshing. Beef production plant, de luxe, to Oakwood's way of thinking! Let's take him apart and see what goes into the make-up of this prize package:

A grand head

The EYE of a breeding bull

A body that is deep

Legs that are short

Bone—worlds of it

Thickness—yes, from end to end

Quarters—deep and bulging

Tail head—like EVERYONE likes one—full and level

May we say to you that Predictor was quite a bull last season, but he is a better bull today! These Commander in Chief calves just started to deepen and thicken and that is what this bull has done.

As to his breeding, his dam is a daughter of the 1941 International Grand Champion, Coronet Command. His granddam is by the 1940 International Grand Champion, Oakwood Commander. The third dam is a granddaughter of Oakwood Rodney, 1929 International Grand Champion. Is he "bred right" to be a top bull?

We have mated many of the sale heifers to this championship winner and we feel that he has every license to sire calves of championship calibre.

Predictor, like other calves by the "Sire Supreme" has continued to grow better from month to month. See him on Sale Day and you'll understand what we mean!

OAKWOOD MAINSTAY—1950 International Reserve Champion Bull—
Sold to Kyalla Stud of Australia at \$6500. We want you to inspect
the few calves we have by Oakwood Mainstay when you come to
the Sale. They indicate to us that he was a breeding bull. We
think they should stimulate your interest in the sons and daughters
of Commander in Chief we are offering.

Oakwood Conqueror x

Oakwood Conqueror was grand champion bull at the 1949 Ohio State Fair, and he was the first prize senior yearling bull at the International. He stood third at the American Royal—the highest rating made by any polled bull in that National show. He is a grandson of the two great bulls, Edellyn Royal Leader and Gosshall Ximenes. He has a sire's head and front. He is deep-bodied, short of leg, thick and full-quartered. To us he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head.

His calves indicate they are the kind you'd expect him to sire. See Oakwood Director x on Sale Day . . . he's a sample of the kind we are talking about. Now that Oakwood Leader x is gone, we have a definite place for his liberal use and many of our top cows are mated to him.

Oakwood Predictor x

Reserve champion bull 1951 International Live Stock Show

***We are holding
him for herd
use in order to
make certain
that Oakwood
Polled Shorthorns
will remain favorites
the world over.***

At the right is Oakwood Bequest x, grand champion at the 1950 Illinois, Ohio, West Virginia and Maryland State Fairs. We had the great misfortune to lose this outstanding son of Oakwood Leader in August of 1951. However, we used him liberally and his calves are here. See them on sale day and you will be impressed with the fact that this blood of Oakwood Leader x breeds on.

At the left is Bonny Butterfly 4th, the heifer that was purchased by Major H. H. Allen for the famous Hi Ho Farm herd at Phoenix, Maryland, in the 1951 Oakwood Sale. He paid \$2,000 to secure her but the investment paid off quickly because she went right on to win the International grand championship in 1951. We knew she was that kind when we found her in Nebraska and knew she was bred right. That's the kind we like to pick to mate with Oakwood herd bulls for resale in Oakwood auctions. The fact that Major Allen buys that kind may be the reason for the very successful auction he held at his farm recently.

These Two Bulls Will Head Our 1952 Show Herd

Left—Oakwood Mainliner was grand champion bull at the 1951 Ohio State Fair and the Central States Show, Crown Point, Indiana. He is a son of Commander-in-Chief and he is a full brother to Oakwood Myrtle 4th . . . one of the most universally popular females we have ever shown. His dam has another outstanding bull calf for 1952 shows, sired by Oakwood Bequest . . . and you'll recall she is the granddam of the 1950 Congress champion bull, Royfield's Leader and the \$4,000 Oakwood Medallion. We have unbounded faith in Mainliner and we have mated a few heifers in the sale to him.

Right—Oakwood Director is out of Lady Golden 5th, the dam of Oakwood Leader and Commander-in-Chief. A son of Oakwood Conqueror, Director carries the influence of Edellyn Royal Leader 2nd and Gosshall Ximenes and looks every inch a stock bull and sire. Deep bodied, short legged, heavy boned and thick end to end, he promises well.

These Four Bulls Will Be Working For Oakwood Too

Left—Oakwood Determination, sired by Commander-in-Chief and out of the same dam as Oakwood Distinction, one of our junior herd bulls at Oakwood.

Right—Oakwood Bequest, full brother to the 1950 many times champion Oakwood Bequest and to the \$3,400 Oakwood Bardolier, now heading the herd of King Bros. in South Africa.

Left — Oakwood Contender, sired by Commander-in-Chief. A full brother to Oakwood Imperial Chief that heads the herd at Redman Farms, Zanesville, Ohio.

Right—Oakwood Headline is a son of Oakwood Leader... and a full brother to Oakwood Pass Key, top bull in our 1951 sale now heading the herd of South & Gallaher, Franklin, Ohio.

OAKWOOD

It seems almost useless for me to prepare a testimonial statement for the 1952 Oakwood sale because each page of this catalog provides convincing evidence that the Teegardins have gone all out to make this the finest offering in Oakwood history. Although the pictures are indicative of great quality and the pedigrees are unusually strong, my inspection of the offering convinced me that the cattle are even better than this catalog can possibly portray.

Elsewhere in this catalog appears a list of the names of breeders who have purchased the cattle in the eleven previous Oakwood auctions. Although such lists are frequently uninteresting, this one indicates clearly that Oakwood productions are appreciated by the best judges of the breed and that distance makes no difference to the cattlemen who want to be **SURE**.

For more than a third of a century the owners of Oakwood Stock Farm have taken the champions of the greatest live stock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1952 sale offering is a wonderful testimonial to their efforts.

Hal Longley
of The Shorthorn World

WOULD YOU PAY A LITTLE MORE TO GET A LOT MORE?

Those who study this catalog carefully will know why the top auctions have been held at Oakwood for so many years. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account . . . **you can't take out any more than you are willing to put in.** Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock . . . and the best ever offered from the Oakwood herd are in this sale.

OAKWOOD ROYAL KING x

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.

Our ten 1952 sale bulls appear on the following pages. All are reds or rich roans . . . **all smooth headed.**

OAKWOOD DESIGNER is chock full of promise. As a short age calf he stood third at the International—he can stand higher in 1952. He has a smooth head, looks like he, too, might be another 100% de-horner. He is short legged, deep bodied, and wide behind. He stands on rugged bone and he's thick, naturally thick! He is out of the dam of Oakwood Gladness, 1950 International Reserve Champion Female. He is a three-quarters brother to Oakwood Mainstay, the 1950 International Reserve Champion Bull. See the bull calf sired by Mainstay out of his dam, it will convince you that she has produced three top calves. It should convince you that Designer inherits the right to be an IMPROVING SIRE. Seven polled dams, a Perth Champion, four International Grand Champions, and the "Sire Supreme" are back of him.

Oakwood Historian x

OAKWOOD HISTORIAN could be the "herd sire opportunity" of 1952. He might be rightly named—he looks like he could make history for some top herd! He has a grand head, a sire's head. He has bone to spare. He is deep of body and short of leg. His tail setting is level and his quarters full. He is a show prospect—certainly a stock bull. He is a son of Commander in Chief, a half brother to Oakwood Predictor, a three-quarters brother to Oakwood Mainstay! His dam was a champion in 1948. His granddam has been one of the best breeding cows we have ever owned, a full sister to the \$4500.00 Oakwood Lieu. Commander. His third dam produced the 1940 International Grand Champion, Oakwood Commander. Six polled dams! A grand calf, from a great family!

OAKWOOD EVALUATOR—Those who have seen the 1950 Congress Champion bull, Royfield's Leader, will note a striking resemblance to Oakwood Evaluator at the same age. They are the same kind. We have held Oakwood Evaluator and Oakwood Distinction since they were dropped, with a feeling that one of them would be elected to take the place of Oakwood Leader. We "grew them up" the hard way, didn't fit them, didn't offer them to anyone! We aren't sure that we are right, but we've decided to retain Oakwood Distinction, and Oakwood Evaluator has been held for this sale. He has the head of a sire. He is a bull of thickness and depth and he is about as fully packed with muscle, as you stand behind him, as they come. His dam is one of the better females we have ever produced. She topped our 1941 Sale at \$1200.00 to go to Dr. & Mrs. Parke G. Smith. She was carrying a \$1000.00 bull calf at that time. She came back to Oakwood when we bought the Smith herd and this is her first calf by Oakwood Leader. She is by Oakwood Emperor, 1936 International Grand Champion, and a granddaughter of the "peer of sires", Oakwood Royal King. She is likewise a granddaughter of our first International Grand Champion, Oakwood Baron, and she's a granddaughter of the great old imported cow, Milrig Estelle. Recommendation enough! The bull will speak for himself.

OAKWOOD DEACON is a thick, wide quartered bull with bone and substance. He is a splendid prospect, but not in sufficiently high condition to impress you with his real excellence. He has a sire's head, and he is a son of Oakwood Leader, a three-quarters brother to Oakwood Destination. A full brother, Oakwood Defense, went to Avenel Farm in our 1950 Sale at \$1675. Gloster of Oakwood, who did so well in the Cherry Hill herd, and Gloster of Oakwood B, our 1945-46 many times champion, are out of the same dam. OAKWOOD FASCINATOR is quite a promising herd bull prospect. He has the head of a sire, and it looks like he should de-horn his calves. He is a bull of great thickness and spread of top, deep bodied and short legged, level and true in his lines. A grand prospect to show and a calf destined to be a sire. He comes from a producing family. These Cluny Floras are mighty high on our list. His dam topped the Shenandoah sale when she came to Oakwood. She is an ideal type, deep, thick and a wonderful milker. Every one of her calves has been a top sort. See the heifer out of her daughter that we are fitting to show. Ask to see the full sister to Fascinator, she could be one of the best we've ever owned. Yes, it's a family in which that "certain something" exists! This COULD be explained by the influence of such bulls as Oakwood Emperor, Browndale Thistle, (who was the top son of the celebrated Browndale Count), and Anoka Rodney, plus a sire like Commander in Chief to bring it out!

Oakwood Super Chief x

OAKWOOD SUPER CHIEF has the look of a stock bull. He has a sire's head, he is a bull of scale, thickness and a lot of bone. His dam is a splendid type. Deep bodied, thick, good headed and a whale of a milker. Her first daughter was one of our top females in the 1949 Sale. A full sister to Super Chief went to Kyalla in our last Sale and she was a grand, deep, thick, broody one. We just don't know of a polled bull with a greater concentration of the blood of the Perth Supreme Champion, Calrossie Mercury. Edellyn Supreme Mercury and Edellyn Martial Mercury were two of his best breeding sons. Add Commander in Chief as a sire and his stock bull promise is certified!

OAKWOOD ROYAL MERCURY is a good headed, deep bodied, rugged, "weight for age" kind of a bull. He is out of a granddaughter of the Perth Supreme Champion, Calrossie Mercury. The second dam is a full sister to the 1936 International Grand Champion, Oakwood Emperor, and she was a champion as a two year old in her own right. A full brother sold in our 1950 Sale to Leonard Breuer, Glen Haven, Wisc., at \$1525. Another son heads the herd of Dr. D. W. Griffin, Chipley, Florida, and his calves are outstanding. A third bull out of the same dam did a great job as a sire for Cecil Unruh, Greensburg, Kansas . . . and THIS bull will do a good job as a sire for HIS new owner, for he's BRED to be a SIRE!

OAKWOOD CHIEF BOMBARDIER is a solid red, smooth headed, thick, rugged, well balanced son of Commander in Chief. He is a stock bull pattern and he is a prospect for a sire. His dam is a dark roan daughter of Robinwood Bombardier, sire of so many winners in the Indiana shows for M. H. Woody. The granddam is by Roland Clipper, a bull whose daughters have made universally top brood cows both in the United States and Canada. Here is a good, useful bull.

OAKWOOD JUBILEE is a rich, dark red bull by Commander in Chief, out of a red dam that is an outstanding cow by any standard. She's thick, she's deep and she is a good milker. She comes from that same kind of a family. If you are looking for a "sure" de-horner you'll be interested in Jubilee. He is short legged, deep middled, and full in his rear quarters. His color is right and his type is right. His pedigree is studded with bulls that are of known repute. He's bred to BREED ON!

OAKWOOD MODIFIER is a rich, dark red son of Commander in Chief out of a full sister to the dam of the Congress Champion, Royfield's Leader, and the \$4000.00 Oakwood Medallion. He is a heifer's first calf, has grown up the "hard way" and deserved a better chance. He's a good prospect—looks like a de-horner and he's bred right to be a sire. He is a wide topped calf, deep of middle, full quartered, and level at his tail, with his legs where they belong. He is a calf of outcome and a bright future as a sire. Not ready enough to bring near his worth!

Congratulations Mr. Scrymgeour!

Word has just reached us that the silver trophy we presented at the Royal Easter Show in Sidney, Australia, for three best bulls under 24 months bred and owned by exhibitor, was won by J. T. Scrymgeour, Warwick, Queensland, Australia, owner of the Netherby Stud. Much to our delight, Mr. Clinton K. Tomson, who judged that great show, placed the award on three bulls sired by Woomargama Mirage, he a son of Oakwood Command x, the bull purchased by Mr. Scrymgeour in the 1945 Oakwood Polled Shorthorn Sale at the top price of \$4,700.

Also, much to our delight, one of the members of this winning group, Netherby Lord Bine, sold at 3,000 guineas, this being the top price in auction where prize winning Shorthorns, Polled Shorthorns, Angus, Herefords and Polled Herefords were marketed. The buyer of the 3,000 guinea grandson of Oakwood Command x was Mr. Douglas McLarty, Lone Pine Estate, Bondure, New South Wales.

About the Females in this Sale . . .

Never have we been so completely satisfied with the quality and breeding of our female offering! Every heifer seems to have that perfect combination of individuality and ancestry that provides complete assurance of future usefulness. We call your special attention to the fact that twenty-seven of them are by Oakwood sires and that the sale offering will contain seven daughters of Oakwood Leader x and nine daughters of Commander-in-Chief x. Please note also the large number of females that are in calf to Commander-in-Chief x and his two champion sons, Oakwood Predictor x and Oakwood Mainliner x.

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

You are looking at six of the heifers in this sale. Aren't they good?

OAKWOOD GOOD FORTUNE 2D—It's hard to write comment on Oakwood Good Fortune 2d. In the first place, she and her half sister, Oakwood Lady Mayflower 3d, are the two best heifers we have ever offered. Good judges and good cattlemen have called Oakwood Food Fortune 2d the best female we have ever shown. We think they could be right! In any case, we never sold one like her, if we ever owned one her equal! Her pedigree lends assurance to an inherited right to be her kind. She is sired by a champion and sire of champions, Oakwood Leader. Her dam is the first calf sired by the \$5000 Oakwood Grand Duke. Her granddam is sired by the 1936 International Grand Champion, Oakwood Emperor, and her third dam is by the "peer of sires", Oakwood Royal King. We want to reserve the right to show Oakwood Good Fortune 2d this season. We are selling her with a breeding privilege to any of the Oakwood herd bulls, frankly, we don't know which bull it should be.

Oakwood Lady Mayflower 3d x. She must be a potential winner if Oakwood chooses to show her!

OAKWOOD LADY MAYFLOWER 3D is listed to make good our plan to not only sell a BETTER heifer than we have ever offered, but to sell the best PAIR of females to ever grace an Oakwood Sale ring! Oakwood Good Fortune 2d and Oakwood Lady Mayflower 3d are the pair and moreover, they are the BEST PAIR sired by an Oakwood herd bull. We hope this pair will stay together—they belong that way! What they could do for the best herd in the land! We have a full sister to this heifer and she is priceless. Her dam is the only daughter of the \$4700 Oakwood Command in our herd. Her granddam left many good ones scattered over the country and they just seem to "breed on". Jim Adams has one of them at L. & L. Farms, Dothan, Ala., and what a calf she has by Oakwood Conqueror. That's the kind of a family it is. That's why we can submit Oakwood Lady Mayflower 3d for your approval. She's selling mated to the "Sire Supreme", Commander in Chief, and we want to reserve the right to show her this season.

OAKWOOD LEADING MISSIE 2D—I questioned seriously the wisdom of letting Oakwood Leading Missie 2d leave Oakwood. She's a grand heifer and she's bred to breed on, but Carol wants to have an active part in the sale and she's mighty proud of her heifer. These Edgcote Missies are production plants for good ones, they just inherit that certain something! South and Gallaher own a full sister to this heifer and she has a bull calf of outstanding promise sired by Oakwood Conqueror. Thos. Piatt has a full sister to Oakwood Missie 15th and she's not only quite a cow, but doing a grand job in this good Kentucky herd. Ask to see the heifer calf sired by Oakwood Bequest out of Oakwood Missie 12th. Then have a look at the bull calf by Mainstay out of Oakwood Missie 19th, another daughter of the old cow. Proof enough that this family makes good mated to any good bull, that's the "certain something" we talk about.

OAKWOOD CLARA 6TH is a daughter of Oakwood Leader. She isn't going to be far enough forward by sale day to be appreciated, but she'll improve and make quite a cow. Remember her sister in our 1951 Sale? She went to Kyalla Stud in Australia. Yes, she just kept coming. Another daughter went to Avenel Farm in our 1950 Sale. Her granddam cost the late Harry Straus \$1500. In our 1943 Sale, BUT she was carrying the 1946 National Congress top-selling female that sold at \$1450. Two more Congress Champions followed, recommendation a-plenty for any cow! These Marr Claras are just that kind and this will be the LAST CHANCE to own one of them sired by Oakwood Leader.

She has a head that bespeaks a breeding cow and with it she has depth, shortness of leg, and she's as smooth as they come. Her color, her type and her inheritance befit her promise. She's another daughter of Oakwood Leader that we need at Oakwood for no herd ever had enough of her kind. Her dam was a grand breeding cow, a heavy milker, deep, thick, and roomy. She was a daughter of the International Grand Champion, Lee Dale Collynie. Oakwood Lavender 23d x

OAKWOOD LAVENDER 23D is a rich red daughter of Oakwood Leader. She's a full sister to Oakwood Loyal Leader, first prize summer yearling bull at the 1950 International, now heading the herd of Robert Hahn, Minonk, Illinois. I only wish everyone could see this bull today, you'd have a greater appreciation for this heifer, and of Oakwood Leader as a sire. Her dam is a dark roan, deep bodied, thick, low-set cow that is a heavy milker. This heifer was purchased by Bert Fields in our last sale, but being too young to breed, we gave Bert an older heifer, well along in calf in her place. Oakwood Lavender 23d is mated to Oakwood Distinction and is due to calve in early September. Some one might get his next HERD BULL here.

OAKWOOD ESTELLE 28TH is only being included to make certain this will be our strongest sale offering. She's the only Estelle female to be offered from Oakwood in 1952 and if we didn't have a full sister to her she would never leave. She is a daughter of Oakwood Leader. Her dam is by the many times champion, Alpine Sensation. Her granddam was a Junior Champion as a calf and was a full sister to Oakwood Emperor, 1936 International Grand Champion bull. Her third dam was sired by Oakwood Baron, our first International Grand Champion bull, and the fourth dam is the old foundation cow, Milrig Estelle. She has every claim to fame as a breeding cow and we've headed her that way by mating her to the "Sire Supreme", Commander in Chief!

Oakwood Vanity Fair 3d x

OAKWOOD VANITY FAIR 3D is a solid red daughter of Commander in Chief that we had planned to keep at Oakwood. She is out of a cow that has been a consistently good producer. Her son, Oakwood Ambassador, was our best bull calf in 1946 when we sold him before the show season to Senor Ricardo Arocena, Uruguay, South America. Cherry Blossom 12th is the dam of the noted International Champion, Cherry Coronet, sire of Coronet Command, 1941 International Grand Champion. Here's a family to tie to, a heifer to build upon, for she carries an ASSURED INHERITANCE!

Oakwood Lancaster x, shown above, is now a brood cow in the strong herd being assembled by Bert Fields, Dallas, Texas. She is closely related to Lot 19 in this sale.

OAKWOOD LANCASTER 2D is an outstanding heifer from any angle. Sweet headed, short legged and deep, a heifer that could well be shown. We'd like to keep her, but she's the kind that makes customers come back to Oakwood! She can establish a strong family in your herd and she will uphold the prestige of Commander in Chief as a sire. A daughter of this cow is a member of the Armstrong herd in Canada. Another is in the Bert Fields herd in Dallas, Texas, and we are retaining the 1950 heifer here at Oakwood. If you want the BEST—then you'll want Oakwood Lancaster 2d!

Four good ones selling in this sale. From left to right: Oakwood Leading Missie 2d x (Lot 13); Oakwood Highland Lady 2d x (Lot 21); Roan Lady of Oakwood 6th x (Lot 20); Oakwood Helen 4th x (Lot 28).

ROAN LADY OF OAKWOOD 6TH—Evergreen Roan Lady was the undefeated Senior Yearling heifer of 1937. She came back to win again in 1938 after dropping a pair of twin bull calves. Roan Lady of Oakwood is still here, an old cow, but the dam of many of the better ones we have produced. Mercury's Roan Lady started off her career by producing the \$2000 Oakwood Mercurian, and this heifer is her best calf. It's just a "producing family", and this rich roan heifer can make some herd famous. A daughter of Commander in Chief, her dam a granddaughter of the Perth Supreme Champion, Calrossie Mercury, and out of a daughter of the 1936 International Grand Champion, Oakwood Emperor, this heifer has a **GUARANTEED** background. Who will be the lucky owner?

OAKWOOD HIGHLAND LADY 2D is a roomy, deep-sided, thick, broody daughter of Commander in Chief. She just looks like a production plant to us and the daughters of Donhil Highland Lily are proving themselves real breeders. Remember Oakwood Highland Joy that sold in our 1950 sale to South & Gallaher? Did you know it was her heifer calf, sired by Commander in Chief, that was the first prize Junior heifer calf at the 1951 Ohio State Fair? There are two daughters of Commander in Chief out of granddaughters of the Perth Supreme Champion, Calrossie Mercury, in this sale and we trust that some far-sighted breeder will have the wisdom to buy them both.

Oakwood Harmony 11th x

OAKWOOD HARMONY 11TH should make quite a breeding cow. Remember her full sister that went to Richwood Farm, Clayton, Indiana in our 1950 Sale? Stop to see her—she's quite a heifer. These Commander in Chief heifers seem to deepen and thicken as they grow older. They did just that in the Turner herd and they are doing it at Oakwood. Oakwood Harmony was three times a championship winner at the International. Oakwood Harmony 3rd left a lot of good ones for Albert Robinson and they are breeding on. Hillside Harmony, the popular class winner at the recent Congress purchased by Lynnwood Farm, was a granddaughter of Harmony 3rd. It's a family to tie to. She's selling mated to the Grand Champion, Oakwood Mainliner, yes, that calf will have a double infusion of Commander in Chief. See the calf out of Oakwood Myrtle 4th, it's bred that way, too.

Above is shown Oakwood Loyal Leader x, a first prize winner at the 1950 International that now heads the herd of Robert Hahn, Minonk, Illinois. Lot 23 in this sale is out of the same dam.

OAKWOOD LAVENDER 24TH is a dark, rich, solid red heifer that promises to make a good brood cow of the top bracket. She's a Silverthorn Lavender, a family noted for consistently producing top cattle. Her dam is an outstanding cow, a heavy milker, and one that fills your eye from any approach. Oakwood Loyal Leader, the first prize summer yearling bull at the 1950 International, was out of Glen Knolls Lavender 4th. Oakwood Lavender 23rd, selling in this sale, is out of the same dam. You can own Oakwood Lavender 24th with PRIDE and PROFIT.

The heifer shown above, Nonpareil of Oakwood x, is now a member of Bert Field's strong herd at Dallas, Texas. She is a full sister to Lot 24 in this sale.

NONPAREIL OF OAKWOOD 2D—Remember the grand red yearling heifer, Nonpareil of Oakwood, that sold in our 1951 Sale to Bert Fields, Dallas, Texas. She developed into one of the deepest, thickest, females you can imagine and she has a heifer calf by Oakwood Bequest that is reported to be most outstanding. Nonpareil of Oakwood 2d is her full sister, a year younger, and she'll make the same kind. We have a full sister that will be showing as a Junior heifer calf—that's the only consolation we have for parting with this one. We wanted to keep her at Oakwood, for Hillholm Nonpareil 2d is a grand cow, and she has a right to be just that. She's a granddaughter of Collynie Royal Barrage and she's a granddaughter of OAC Ransom 2d, rated as the best breeding son of the celebrated Millhills Ransom. Rigfoot Nonpareil is by Collynie Royal Victor—what a pedigree! That's why this heifer should have APPEAL to the critical buyer who demands the best in his brood cows.

Sporting Field Chief x, the great young bull that won the reserve championship for W. H. McCeney, Jr., at the 1951 Ohio State Fair. Sire, Commander-in-Chief x. When Bill McCeney buys, he buys the right kind and this is the reason he is producing champions in his strong herd at Sporting Field Farm.

OAKWOOD AUGUSTA LADY 2D is a solid red heifer of scale, ruggedness and substance to indicate she'll be a brood cow. She is a Bruce Augusta out of a heavy milking, thick, deep cow whose first calf, a bull, topped the 1945 Polled Shorthorn Congress and was purchased for export to Australia. Those who attended our 1950 Sale will recall the red daughter of Augusta Lady 18th that went to Avenel Farms at \$1400. Her first calf sold at \$1300 to prove that it was a good investment. We are retaining the 1950 sister to this heifer at Oakwood. That's what we think of the family, and the owner of this heifer will share our confidence, we are sure.

OAKWOOD ROSEWOOD 34TH could well be one of the best breeding females we have ever sold. She's one of two daughters of Oakwood Conqueror selling, and he combines the blood of Edellyn Royal Leader 2d and Gosshall Ximenes. Oakwood Rosewood 16th is an own daughter of the 1939 International Grand Champion, Oakwood Merry King, and a granddaughter of Oakwood Royal King, the peer of sires. Maxwalton Rosewood 71st topped the International Sale in 1939 and proved to be one of our best breeding cows. Pages could be written about her background. Own her and she'll make HISTORY for YOU! She's mated to Oakwood Mainliner, the 1951 Ohio State Fair Grand Champion. That leaves nothing to be desired.

OAKWOOD HELEN 4TH is one we had always planned to keep right here at Oakwood for she descends from the great old imported Wellhouse Helena. What a lot of really top cattle she has left! Millbrook Helen 6th was a cow that we determined to own at any price. We never got but three heifers from her and lost one of them, but she left a lot of sons to write a chapter of progress in each herd that used them. Any way you look at Oakwood Helen 4th you'll like her. She's as modern as 1952 and she'll stay that way! Look at the sires in the third bracket—Edellyn Royal Leader, Gosshall Ximenes, Coronet Command, and Millbrook Browndale, a grandson of the celebrated Browndale Count. Such inheritance means a lot if you want to get to the TOP of the ladder!

Never have better females been offered in an Oakwood sale. The four shown above all sell bred to Commander-in-Chief x or Oakwood Predictor x. From left to right they are: Janesway Gloster 6th x (Lot 29); Fair View Princess x (Lot 30); Fair View Rosewood x (Lot 31); Oakwood Gloster L x (Lot 32).

Janesway Gloster 6th x

JANESWAY GLOSTER 6TH—Remember the top daughter of Oakwood Grand Duke we sold last year? Sure—everyone does! Janesway Gloster 6th is even better. Wonderful head, deep, thick, roomy, and full quartered. She's the kind from which to build a herd. This heifer is out of one of the better daughters of the noted sire of outstanding females Maxwalton Walkaway. Oakwood Grand Duke, the \$5000 son of Gosshall Ximenes, has sired about as many females of excellence as any bull in the country. Thus, we can conclude that Janesway Gloster 6th will reproduce that good head, depth, thickness and balance. She is due to calve the last of Sept. to the service of the 1951 International Reserve Champion bull, Oakwood Predictor. What would you ask for that calf?

FAIR VIEW PRINCESS—Better square off and do some serious thinking here. Fair View Princess is quite a heifer—looks every inch a breeding cow, too. She's a granddaughter of the 1941 International Grand Champion, Coronet Command. Her sire is a full brother to Montezuma, outstanding herd sire in the Lehnert herd. Remember, four calves by him averaged \$1500 in the recent Congress. Her dam is a daughter of Collynie Goods, who sired so many champions for Carl Cross. Added to that—her granddam is by a son of Highland Stamp, one of the best bulls ever exported to Australia. She's a Manson Beauty, one of Scotland's best, and she's selling mated to the "Sire Supreme", Commander in Chief. OPPORTUNITY—that's what we call it!

FAIR VIEW ROSEWOOD is one of the "worth owning" kind. She is a grand headed, beautiful colored, deep bodied, thick, roomy heifer and she's of the best of breeding. She descends from the great old producer, Collynie Rosewood 3d, and what a lot of excellent cattle she left. She's a granddaughter of the 1941 International Grand Champion, Coronet Command, and her dam is a granddaughter of Chief of Staff, a good sire for Marlowe Mitchell, exported to South Africa. A family to tie to—a heifer to match her inheritance—and she's selling mated to Commander in Chief

OAKWOOD GLOSTER L could be the "Buy of the Year". She's one of the best heifers, individually, we have ever offered. Few of her kind were ever offered in any sale—anywhere—anytime. Moreover, she's bred right to be that kind. Analyze that pedigree. A Maxwalton Gloster foundation, three International Grand Champion bulls, and a Perth Supreme Champion in the third bracket. THAT is INHERITANCE—in our book! Start at her head—go around her—yes!—she's a show heifer—ALL the way. She's selling mated to Oakwood Predictor, 1951 International Reserve Champion bull. Go look at him! There is just NO CEILING when you think of what Oakwood Gloster L could produce!

A lot of fine folks . . . all top-notch cattlemen . . . have bought Polled Shorthorns in Oakwood auctions. In 1950 the members of this group, from left to right, sold as follows: Elmwood Gloster 3d, sold to Mr. and Mrs. Roy Hopper, Fredonia, N. Y.; Oakwood Highland Joy and Oakwood Annette 3d sold to South & Gallagher, Franklin, Ohio; Oakshade Mayflower 6th, sold to W. W. Rapley, Potomac, Md.; and Oakwood Gypsy Maid 2d, sold to Melvin Kyger, Circleville, Ohio.

RESTORATION'S GLOSTER A is a red heifer that will be in medium condition, but she's a heifer with outcome and earning power. This Maxwalton Duchess of Gloster family has contributed advancement for decades, good cattle in good herds everywhere. Oakwood Restoration is not only a son of Gosshall Ximenes, but he's a grandson of Oakwood Royal King, the peer of sires. Someone can surely buy a foundation heifer here—and he'll never need to start over!

Sporting Field Clara x, by Riverdale x. She was the champion and top selling female of the 1951 International Polled Shorthorn Congress. She was bred and exhibited by W. H. McCeney, Jr., and is now a valued member of the Oakwood Stock Farm herd.

Oakwood Bard x, a son of the granddam of Lot 35, now heads the herd of J. J. Bruton, Austell, Georgia.

RESTORATION'S LAURETTA is one of the best headed heifers you'll find. She's deep bodied, short legged, and smooth. If you'll fit her, she'll do a lot of winning for you. Her dam is an outstanding cow and she has been a top female ever since she was dropped. Proud Lauretta 2d is an old cow, but still a good one, and you'll want to see her last calf, a dark roan bull by Commander in Chief. This heifer will not bring half her worth, and you'll always be proud to own her.

Oakwood Restoration x, sold in the 1945 Oakwood sale at \$3,000 to Dr. and Mrs. Parke G. Smith, now owned in partnership by the Teegardins and Mrs. Peters. He is the sire of five beautiful heifers in this sale offering.

S F Corona x

S. F. CORONA is one of the kind rarely offered in any sale. She is an outstanding female as measured by any yardstick. She's a rich, dark red. She has the head and front of a brood cow. She's deep-bodied, she's short of leg and she's balanced. Moreover, she combines in her inheritance bloodlines of proven performance. Her 100% de-horning rich, red sire is a son of the illustrious Collynie Compact, and his dam an outstanding producing daughter of Gosshall Ximenes. Her dam is a granddaughter of the Perth Supreme Champion, Royal Rothes, and she's also a granddaughter of the 1941 International Grand Champion, Coronet Command. The granddam of S. F. Corona is a full sister to the dam of S. F. Clara, 1951 Congress Grand Champion and top selling female for W. H. McCeney, Jr., and is now a member of the Oakwood herd. It's a great family and even tho Edellyn Clara 11th cost \$3050 in The Allendale Dispersion, we'd say she was worth it. Could one ask for more? Yes, we've done that too—she's selling mated to the "Sire Supreme"—Commander in Chief.

OAK SHADE MISSIE 60TH—Want to buy a show prospect? Want to get a foundation female of richest heritage, from the tried and proven Edgcote Missie family? Want her bred to Commander in Chief? Oak Shade Missie 60th meets every requirement. She is an outstanding heifer, a show prospect, and she just radiates brood cow excellence. Furthermore, that promise is inherited. A great family, backed by noted bulls, one after the other. We were willing to pay a long price for her, for many reasons, and we'd like to keep her at Oakwood. We like to show our visitors what breeders are getting from Oakwood bulls, and Oakwood Hallmark has given Oak Shade a place of prominence. This heifer is proof of our desire. We are offering her with **PRIDE!** Her new owner can be certain that he has one of the **BEST!**

WALNUT VICTORIA 3D is a very deep bodied, thick, low-set heifer with brood cow roominess. This Victoria family is worth owning and this heifer's granddam is a full sister to the dam of the \$4700 Oakwood Command. Her dam is a granddaughter of Oakwood None Such, one of the most outstanding bulls we ever produced. Added to that, her sire is a full brother to Gloster of Oakwood B, the 1945-46 many times champion female. Such inheritance is your assurance that her calf by the old "Sire Supreme", Commander in Chief, will be worth owning.

This is Roan Lady of Oakwood 4th x, the top female in our 1950 sale. She is now a herd matron at Hi-Ho Farm, Phoenix, Maryland.

MARADA CAROLINE 3D is a sweet headed, solid red heifer of class, style, distinction, no less. She is a quality package! Down thru the years we've been impressed with the excellence of this family at Maxwalton—good cattle that reproduce well. The Imported cow was brought to our neighborhood by the veteran breeder, the late W. I. Wood. Top sires are behind her and she's mated to Oakwood Predictor, he's the bull we thought of when we first saw her, and we haven't changed our minds.

OAKLAND GLOSTER 11TH is a solid red heifer with a rather distinguished background. Her dam is a granddaughter of Scottish Peer. Go look at his four daughters in the sale. Her granddam is a granddaughter of Oakwood Emperor and Evergreen Roan Lady and the third dam is a full sister to the dam of the International Grand Champion, Millbrook Crown. To complete her appeal, she's bred to Oakwood Distinction.

Oakwood Imperial Chief x, shown above, is a son of Commander-in-Chief x that is siring outstanding calves for Redman Farms, Zanesville, Ohio.

MARADA FERN 2D is a dark roan, deep bodied, thick, smoothly turned heifer that has a world of promise for a brood cow—she has it all the way. Her dam is a granddaughter of Oakwood Merry King, 1939 International Grand Champion, and her second dam is a granddaughter of Oakwood Memory, (the son of the 1929 International Grand Champion, Oakwood Rodney) who left so many excellent cattle in the Shenandoah Valley of Virginia. She is mated to the "Sire Supreme", Commander in Chief, and her calf could be one of the BEST.

We'd like to keep them so we think you will like them too. From left to right: C H Red Lady x (Lot 46); C H Clara x (Lot 44); Marada Caroline 3d x (Lot 41); C H Caroline x (Lot 47).

C. H. CLARA—I've always thought White Oak Sultan looked the part of a stock bull. He certainly was bred right to be just that. A son of Montezuma, a grandson of Coronet Command and Oakwood Merry King, both International Grand Champions, and his grandson by Oakwood Emperor. When I visited the Grove Farm in February I was so much impressed with the first calf crop by White Oak Sultan that I promptly purchased the three oldest heifers. C. H. Clara is a Marr Clara, loaded with the best blood of the noted Maxwalton herd. She's a sweet headed, well grown, deep-sided heifer just loaded with brood cow promise.

C. H. RED LADY is one of the better females we've found in any herd. Analyze her. A grand head, a short leg, a deep body and thick all the way. Yes, she's a show prospect for fast company. Blanced, we call her! She is a direct descendant of the International Grand Champion, Maxwalton Roan Lady, daughter of the celebrated Avondale. Every sire on top of this great cow is an added assurance that this heifer will "breed on". We don't know her worth, but we hate to part with her. She's the kind that makes herds and herd bulls KNOWN to the top breeders!

Oakwood Lovely Lady 2d x sold in the 1950 Oakwood sale to become a foundation female in the Ashbourne Farm Polled Shorthorn herd, Prospect, Kentucky. Theirs will certainly be a strong herd with heifers of this type and breeding in the foundation.

C. H. CAROLINE is a solid red heifer of excellent promise. She's deep-bodied, short legged, and a very thick heifer, withal. Take a look at the three heifers by White Oak Sultan—they'll do—and we'd like to see them stay together. These Maxwalton Carolines have been among the most consistent producers of good ones in the old Maxwalton herd and we predict that this heifer will do a grand job for some one. She's bred right to make good—she LOOKS the part!

CEREMONIOUS DOROTHY 5TH is a rich roan heifer that has all the qualifications of becoming a top notch brood cow. She has that kind of a head. She likewise, has that kind of a pedigree. Furthermore, she's the only female we know of that represents a double infusion of the blood of the 1946 International Grand Champion, Master Stamp. She stood fourth in the Junior heifer calf class at the 1951 International and she topped her class in the Illinois Sale. I resolved to own her as she entered the show ring. Sure, I felt that she was worthy of being mated to the "Sire Supreme" and so she's selling with the service of Commander in Chief.

MARADA LAVENDER 17TH is a solid red, deep bodied, thick, wid-out heifer. She comes from the Lavender family that did so much in the Maxwalton herd down thru many years. Note that her dam is a granddaughter of Collynie Royal Barrage, one of the most outstanding sires of recent years in Canada, and a son of Rosehaugh Mandarin. Visit Marada Farm, see the dam and the granddam of this richly bred heifer. You'll surely share our confidence in her once you've seen her. She's mated to Oakwood Predictor, 1951 International Reserve Champion bull, and she'll establish a strong family wherever she goes.

SAND PRAIRIE FANCY—When I saw Sand Prairie Fancy at the Illinois State Sale, I knew she was the Oakwood kind. I watched her top her class, then be awarded the Reserve Championship. I told Hal Longley to buy her for us when I had to leave to go home. Why? Take a look—she's the 1952 kind! Short legged, deep bodied, thick, end to end; BEAUTIFUL—any way you look at her! The first two calves sired by Misty Vale Superb were two of the best females we sold in 1949; one went to Texas, the other to Louisiana. He's still siring the same kind. We so thoroughly believe in this heifer and her possibilities that we are selling her with a breeding privilege to any Oakwood herd bull—you pick him—we'll breed her, and deliver you a bred heifer. Hope you dont mind if we show her in the meantime!

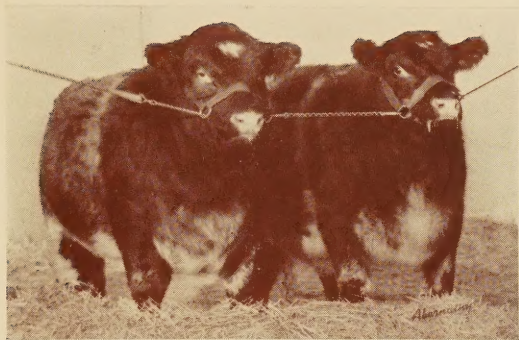

Paul Teegardin gives some final instructions to Orville Cook who went to Australia with a shipment of four Oakwood bulls for Dolf Schmidt. Paul, Jr., at the left, looks on.

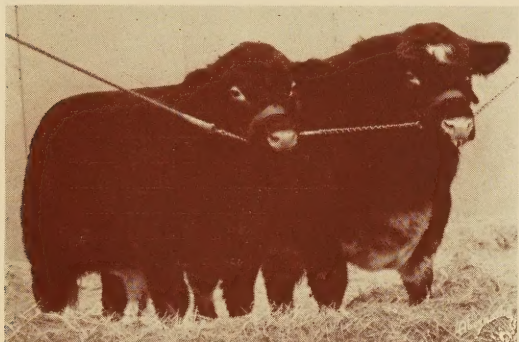

*Oakwood Polled Shorthorns
